

Dedication Brick Sale for Street Scape Project

The Doddridge County Economic Development Authority will offer engraved bricks for sale to help with the fundraising for the new sidewalks on Main Street in West Union. Doddridge County EDA received a \$556,000 grant with a 20% match to completely renovate our Main Street area. This brings the total cost of the project up to \$695,000. This is one of several fundraising projects planned to meet our required match. These bricks will be strategically placed in the architectural design of our new sidewalks.

**There can be up to 3 lines engraved on the brick.
Bricks \$50.00 Each**

Name _____ Amount Paid _____

Phone Number _____

Address _____

Name on Brick (up to 3 lines). It is not recommended to put "in memory of" on the bricks. These bricks will be in place for many years and full names or family names would be more appropriate. This form can be copied if more than one brick is being purchased.

Please send this completed form with your check to:

Doddridge County EDA
P.O. Box 147
West Union, WV 26456

**** Make checks payable to DCEDA**

Deadline for orders is 1/31/12 – If you have any questions, you can call 304-871-8865 or 304-873-1652.
